NOTICES

If you have not yet received your **membership renewal notice**, please contact the Registrar immediately. Renewal notices were mailed to all members on or about May 5. See page 3 for contact information.

The **next newsletter** will be the August issue, which is scheduled to be mailed in late July. The deadline for all types of submissions for that issue is July 10.

We expect to have the **2006–2007 Chapter Directory** in the mail no later than mid-September, barring unexpected production delays. Please hold your inquiries about possible lost mail until we have published a statement in the newsletter confirming the mailing. Every chapter member in good standing will receive a new membership card along with a copy of the Directory. All advertisers automatically receive a complimentary copy.

For your information: In years past, a few members have been concerned that their membership card (which is mailed with the Directory) contained the word “Pending.” Note that this word has *nothing* to do with your acceptance as a member. It simply means that the National office has not assigned you a membership number. Once National has gone through the entire membership, they will forward that information to the Registrar, which may not happen until December.
